François Guillemette est professeur de méthodologie et de formation pratique au Département des Sciences de l'Éducation de l'Université du Québec à Trois-Rivières.

Il est président de l'Association pour la Recherche Qualitative depuis 2006, de même que chercheur associé au Centre de Recherche Interuniversitaire sur la Formation et la Profession Enseignante (CRIFPE) et chercheur-membre du Consortium National de Recherche sur l'Intégration Sociale (CNRIS). Docteur en éducation et docteur en théologie, ses projets de recherche portent notamment sur l'utilisation de la méthodologie de la théorisation enracinée (Grounded Theory) au Canada et en Europe, le développement des compétences professionnelles dans les programmes de formation post-secondaire, la communication en déficience intellectuelle.

Marie-Josée Berthiaume est membre de l'Ordre des psychoéducateurs et psychoéducatrices du Québec. Elle est professionnelle de recherche à l'Université du Québec à Trois-Rivières et à l'Association pour la Recherche Qualitative.
